

FAMILY MEDICAL CENTER OF MICHIGAN, INC.

Behavioral Health Partnering with Bedford Public Schools

Family Medical Center of Michigan, Inc. is partnered with Bedford Public Schools to provide Behavioral Health services to children at school, during school hours.

Services Offered

Service	Telemedicine	School-Based Assessment	School-Based Testing	School-Based Therapy
Delivery Model	Video Conferencing at school	Students will meet with a FMC Behavioral Health Specialist in-person at the school		
Description of Service	Students will be able to meet with a psychiatrist at FMC, face-to-face, via a video appointment that is facilitated by onsite FMC staff. An assessment will be completed and appropriate medications can be prescribed	Students will be assessed to evaluate the concerns related to the child and determine the appropriate services and interventions needed	Students will be tested if needed for childhood diagnoses, such as ADHD, Oppositional Defiant Disorder, and Conduct Disorder	Student will receive individualized therapy to develop coping skills and work on symptom and stress management

Reasons to seek FMC services/Signs that your child is experiencing behavioral health issues
